

Senior Accountant

About us

Murray Nankivell is a privately owned and run business in Regional SA. Murray Nankivell provides a broad range of professional services across Accounting, Business Consulting and Financial Planning. We are an Authorised Representative of the Lonsdale Financial Group who hold an Australian Financial Services Licence.

Murray Nankivell are committed to forming close partnerships with our clients, enabling us to understand their unique situation and customise the assistance we provide to suit their requirements.

Why join us

- Excellent salary potential – range \$80,000 to \$140,000 per annum according to experience / skillset
- We have a strong focus on maintaining a healthy work/life balance for our team; we understand that we all have lives outside of work.
- Success in this role will open up a direct pathway to equity ownership.

About the role

We have a new opportunity in our small but growing **Murray Bridge** office for a passionate and engaging **Senior Accountant** with Public Practice experience, client contact skills and the ability to develop and grow team members to achieve new heights.

You will be expected to step straight into mentoring and coaching team members so that they can grow and thrive professionally within our firm and industry. You will possess the right mindset is to model and build a confident and cohesive team who provide timely quality advice and outcomes for our growing client base.

As the Senior Accountant, you will have client contact responsibilities upon introduction and provide client and technical leadership whenever the Office Director is not available.

You are not required to bring new clients, but to succeed in the role, you will have the ability to source new clients.

You will be given reachable targets with emphasis on working reasonable hours and you will be able to access all of the eight Directors within our firm to mentor and help you further develop or improve your skill-sets.

Key responsibilities

- Manage a diverse portfolio of SME clients
- Apply expert knowledge and leadership in the tax practice area to identify and mitigate tax risks
- Actively presenting to clients and providing simple explanations of complex concepts
- Completing financial statements, tax returns, activity statements and financial reports for complex family groups in a timely manner
- Preparation of efficient tax strategies, forecasts, reports and advice on business structures
- Team member training and mentoring (including transfer of technical skills and knowledge)
- Maintain and garner new client relationships
- Manage work-in-progress and billings for a list of clients

About you
