

Accountant - Murray Bridge

About us

Murray Nankivell is a privately owned and run business in Regional SA. Murray Nankivell provides a broad range of professional services across Accounting, Business Consulting and Financial Planning. We are an Authorised Representative of the Lonsdale Financial Group who hold an Australian Financial Services Licence.

Murray Nankivell is committed to forming close partnerships with our clients, enabling us to understand their unique situation and customise the assistance we provide to suit their requirements.

Why join us

- Excellent salary – range \$60,000 to \$80,000 per annum according to experience / skillset
- We have a strong focus on maintaining a healthy work/life balance for our team; we understand that we all have lives outside of work
- Be proud of working for a Top 100 AFR accounting firm

About the role

We have a new opportunity in our **Murray Bridge** office for a passionate and engaging **Accountant** with Public Practice experience with client contact skills.

You will be expected to be confident and able to prepare and complete financial statements, tax returns, activity statements and financial reports for all business types in a timely manner.

You will have the experience and desire to mentor and coach junior team members so that they can grow and thrive professionally within our firm and industry. You will possess a mindset is to fit in and be part of a cohesive team who provide timely quality advice and outcomes for our growing client base.

You will be given reachable targets with emphasis on working reasonable hours and you will be able to access all of the Directors and Senior Accountants within our firm to mentor and help you further develop or improve your skill sets.

Key responsibilities

- Preparation of financial statements and tax returns for individuals, companies, partnerships and trusts
- Liaise with the ATO on behalf of clients
- Contribute to client interaction and advisory
- Advise business owners and individuals in relation to tax legislation
- Be able to identify, areas of opportunity such as: business planning, business / tax structuring, benchmarking / profit improvement
- Detect and address potential compliance issues proactively
- Conduct individual salary and wage interviews and complete Tax Return during client appointments
- Contribute knowledge and experience to the efficiency of Murray Nankivell internal operating systems
